We are a year older now, a year wiser, and more mature. We have learned more than inanimate facts; we have strengthened our character and sharpened our responsibilities for our forthcoming roles as adult citizens.

We watched with interest our great democracy in action this past election year and came to realize that maintaining our freedom is the job of every individual, and that as citizens in America we should treasure liberty and human dignity above all else.

Somehow, through these events, and experiences we have become more keenly aware of what AMERICANA really represents.

Robyn Douglas's photo of the awe-inspiring Statue of Liberty aptly portrays our "Americana" theme.

For applying his intellect to the advancement of human progress and for his devotion to humanitarian practices, we proudly dedicate the 1965 Les Adieux to Charles Antholt.

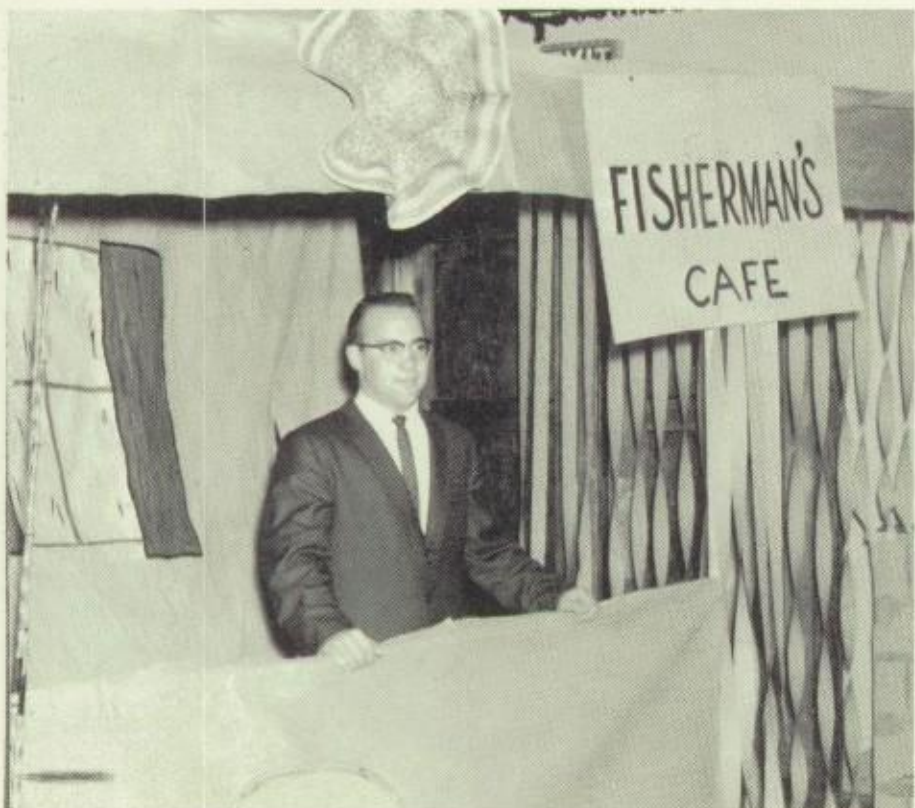

Charles, a 1960 graduate of CHS, is now serving as an active member in the Peace Corps. Upon receiving his Bachelor of Science degree in agricultural economics at the University of Wisconsin in 1964, he immediately applied for entrance into the Peace Corps.

After spending three months of occupational training, he and his five co-workers set out for rural East Pakistan to serve as social and economic catalysts. They are assisting in the many projects which are designed to improve the agriculture, education, and general welfare of these Asian peoples.

In devoting his efforts to his fellow man, he exemplified for us the fuller meaning of citizenship, providing us with new insight into the spirit of "Americana."

. . . Dedicated to Alumnus in Peace Corps

As a student at CHS, "Chuck" was engaged in many extracurricular activities, including the Junior Prom.

Underwater City Greeted Prom Couples

King Paul Wilting, Queen Patty Simono.

"Underwater Fantasy" was the theme of the spectacular 1964 Junior Prom. Paul Wilting and Patty Simono reigned as the Balladaires provided the enchanting music.

Patty wore a white silk organza gown fashioned with flowing Chantilly lace panels.

King Neptune majestically overlooked the crowded prom floor. A background mural depicted an ancient underwater city.

The prom was composed of Andre Lesperance, Ruth Kamps, Glen Krueger, Bonnie Behrend, King Paul Wilting, Queen Patty Simono, Jean Holley, Ron Lepianka, Jean Rudolph, and Dan Goddard.

Lyceums Fostered Wider World Knowledge

Our lyceum programs provided entertaining educational programs for the student body, throughout the year.

Dr. Glenn Cunningham discussed the effects of alcohol and tobacco on our nation's young people. Vern Coriell presented an unusual and informative demonstration on the arts of juggling, balancing, and tumbling.

Among the other lyceums were Otto Schmidt, who showed us body-building techniques and their effectiveness in improving us mentally and physically; Don Lonie and Alan Davis, inspirational speakers on teenage life; Henry Briggs, who traced the life cycle of the Black Mallard by means of films; Doug Kenney's lecture-demonstration on the solar system; and Bruce Ideson's chemistry demonstration.

A representative of the National Aeronautics and Space Administration presented a lecture on the functions of missiles and satellites.

Memories of '64-'65

"Air Raid!" Those C-Club initiations are rough, but aren't they fun!!

Barbara Bittner befriends the Cougars' courageous Homecoming mascot.

Darlene Fiedorowicz and Karen Wirtner are really working hard to keep the Phy. Ed. classes supplied with towels.

Football end Jerry Anderson ate heartily before the Big Game.

EDITORIAL PRECIS

Time swiftly goes by in this ever-changing world of ours as we are being faced with new and never-ending problems. Students of today and future adults of tomorrow must responsibly adapt themselves to new environment. We must be cognizant that freedom is the duty and the responsibility of every citizen, and that only through constant vigilance and circumspection can democracy remain.

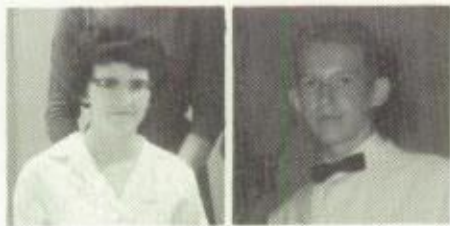

Even in this diversified and shifting atmosphere there are certain basic principles which we must hold sacred and unchangeable. They are given by God to man and are above government, laws, and restrictions. These inherent rights--the basis of democracy--are: The Right to Life, Liberty, and the Pursuit of Happiness.

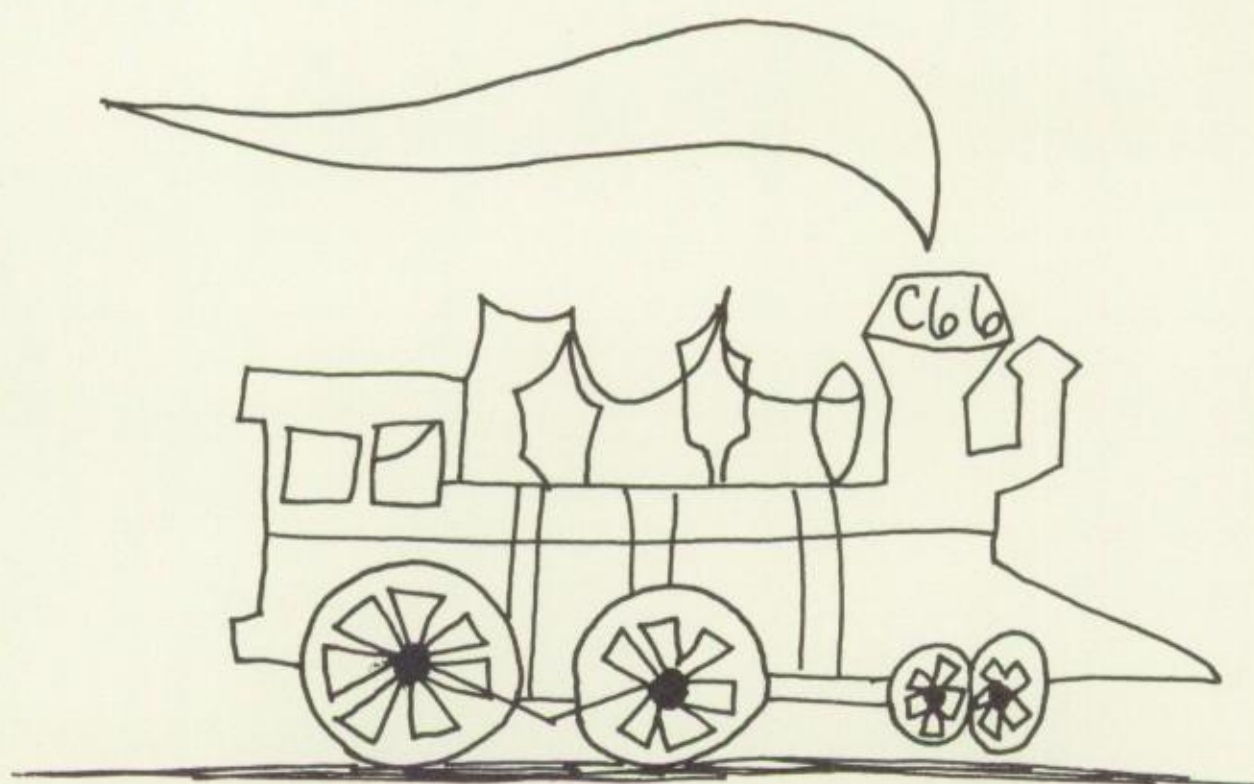

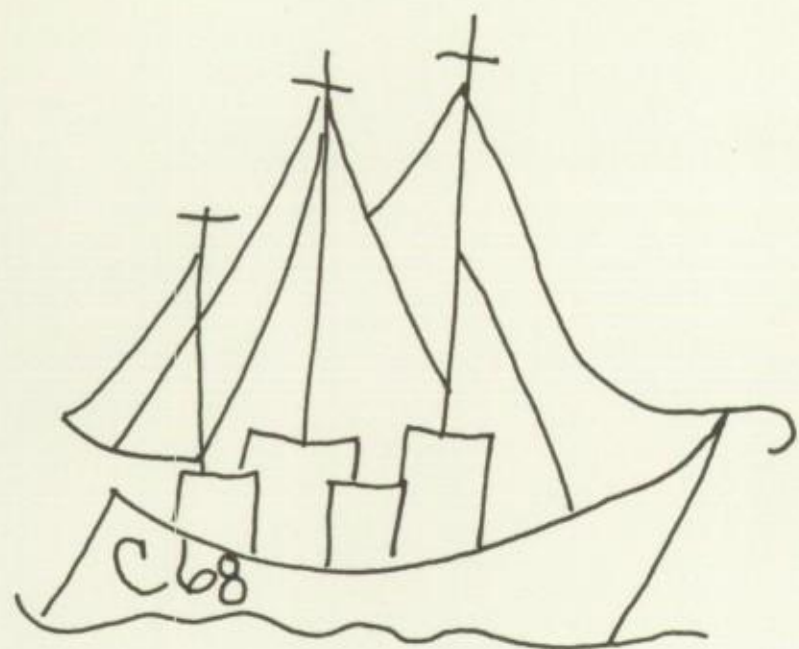

Although we have these freedoms now, we have no guarantee that they will be ours in the future. We must be ever-watchful of the sneak thieves of freedom in our society--complacency, ignorance, dependence upon others, irresponsibility, and all the other malignant forces which tear away at the structure of democracy.

Respectfully submitted,

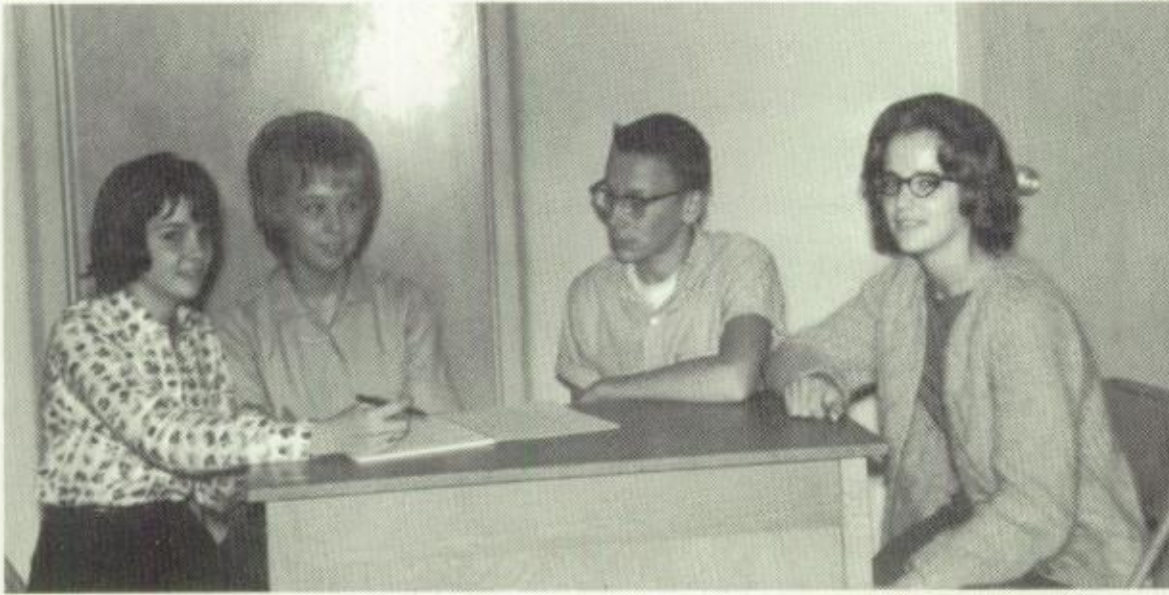

Karla Streubel

Freshmen Set Victory As Their Goal

The class of '68 is composed of 102 loyal members. All the students contributed their time and work in keeping with the tradition of wrapping the Victory V for Homecoming. It turned out to be the biggest bonfire in the history of Coleman High.

The Freshmen took a lively interest in the school's activities. Among their

list of accomplishments was the Valentine's Day dance, which was a great success. The fine spirit of the Freshman class has shone through their many extracurricular activities.

They were ably advised throughout the past year by Mr. Walker, Mrs. Sprenger, and Mr. Wilz.

A sophomore, according to its Greek origin, is one who is both wise and foolish. Our Sophomores dedicated their daily efforts toward wisdom vs. foolishness.

In relation to life and conduct, the collective wisdom of the 99 Coleman High Sophomores shines in those who have

earned National Honor Society membership, letters in sports, and who were elected to lead their class through this difficult year.

We thank our class advisers, Mr. Douglas, Mr. Sprenger, and Miss Desch, who did their part to develop the good sense we will need in the future.

BACK ROW: Gayle Gummin, Ellen Goddard, Kristi Harley, Bob Hanne, Karen Grosse. FRONT ROW: Margaret Hutchinson, Allan Henseler, Richard Gendron, Steve Henseler.

JUNIOR CLASS OFFICERS: Sue Sadowsky, Treasurer; Regina Blagousek, Secretary; John Gendron, President; Rodney Boville, Vice President.

This year's Junior class consists of 98 ambitious students. They started their year with a big bang by winning the Homecoming Yell contest. Two members also won the slogan contest. The Juniors sponsored a school dance in November, with music provided by a popular area band.

Preparations for the Prom began in late fall by the choosing of committees. Eighty-five per cent of the class worked on the nine committees. It was truly an all-class project. The end reward was one of the biggest and best proms Coleman High has ever had.

Much credit for a successful year is due to the help of three advisers, Mr. Van Ornum, Mr. Delacenserie, and Mrs. Kosnar.

Juniors Were Skillful Campaigners!

Decorating the school for the Homecoming festivities expressed the Junior school spirit. Gr-r-r-r-eat!

CHS Students Bravely Faced the Camera!

Charlotte Kelsey will make a very studious secretary.

Sue Walters asks how she could have made a mistake like that!

Joyce Lentz is very serious about school life.

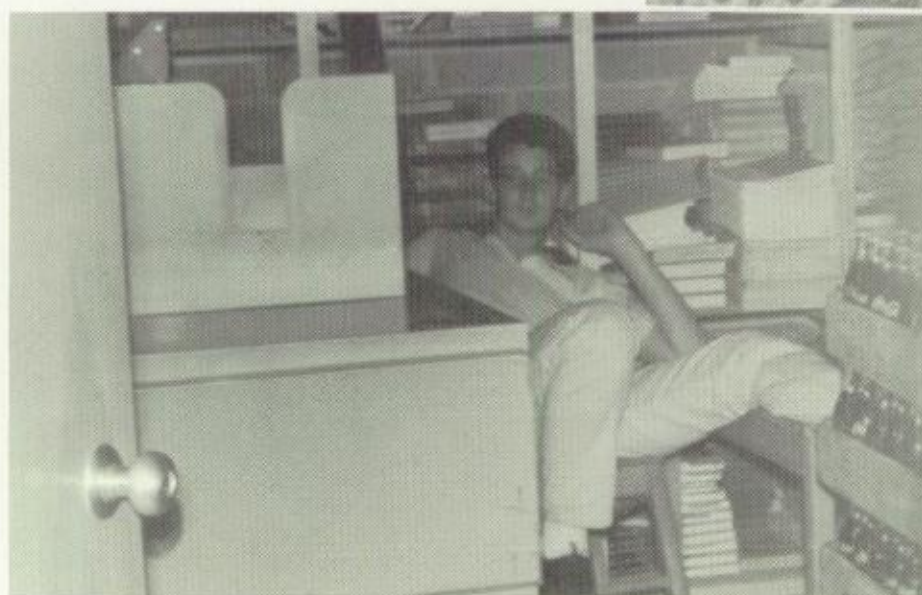

Wayne Galien faces life with a smile.

Gayle Gummin tries to dodge our camera, while Karen Grosse remains oblivious to it.

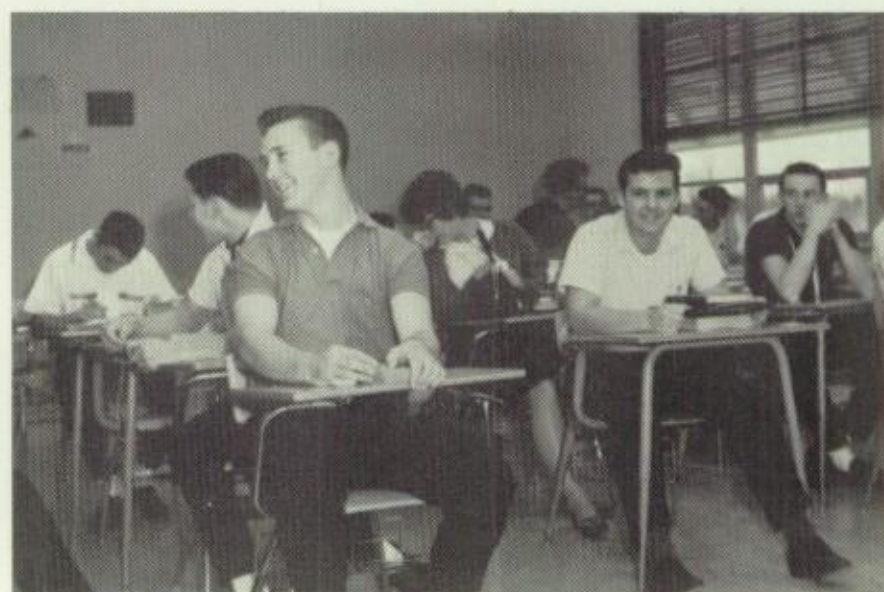

Sue Hoffman could shout for joy!

Alton Peterson lives a life of Riley as book room guardian.

Pat Hannon and Alan Gritzon are always happy during class time!

FACULTY

&

ADMINISTRATIVE

Physical Education

In order to have a thriving country we must have healthy, vigorous people. Therefore, our physical education curriculum is designed to meet this requisite.

Physical education is required all four years. Students participate for 150 minutes a week in class activities, such as bowling, volleyball, tennis, gymnastics, and physical exercises.

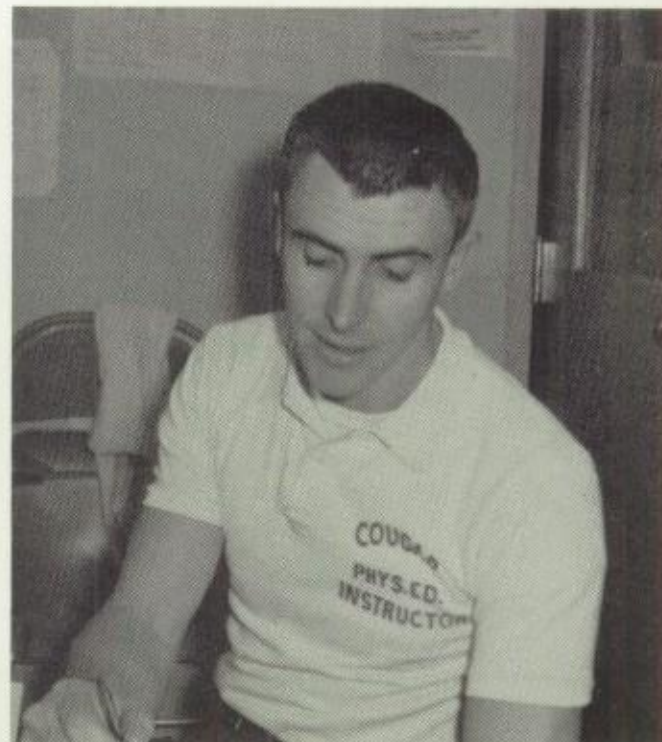

MRS. JOANNE SPRENGER
B.S., Wis. State, Platteville

Girls' Phy. Ed.; Cougarettes, Cheerleader, GAA, and Freshman Class Adviser.

Junior boys are raring to go after instructions from Mr. Herbert.

EARL HERBERT, JR.
B.S., History, St. Norbert; M.A., Physical Education, Colorado State.

U.S. Hist., Phy. Ed., Head Basketball and Track coach.

The object of Phy. Ed. class is to make the students think and act faster!

JAMES SEEKE
B.S., Mankato State, Minn.

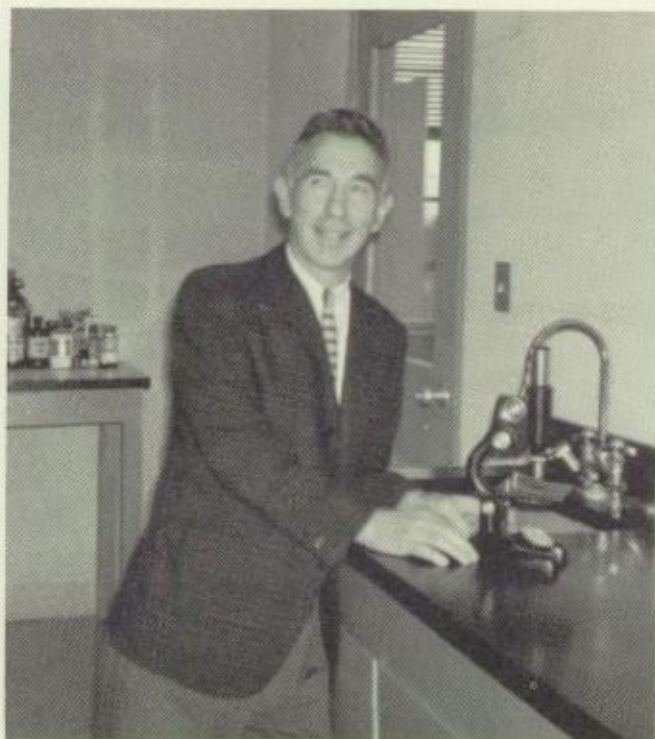

English, World Hist., Head Football coach, 'C' Club Adviser.

Mathematics . . . Science

With the great emphasis on mathematics and science in the world today, it is of prime importance that the student of today have a working knowledge in these fields.

Algebra I and biology are required courses at CHS; chemistry, physiology, physics, physical science, algebra II, advanced math, and consumer math are electives.

JAMES DOUGLAS

B.S., Purdue University, M.S., Ohio State.

Chemistry, Biology, Earth Science; Wrestling Coach, 'C' Club, and Sophomore Class adviser.

Principal Rhode also teaches Physiology and Biology.

In addition to Shop, Mr. Blaske teaches Algebra I.

GEORGE SPRENGER

B.S., Winona State, Minn.

Physics, Adv. Math., Geometry, Algebra I and II; Science Club, Archery Club, and Sophomore Class adviser.

DAVID BLOCH

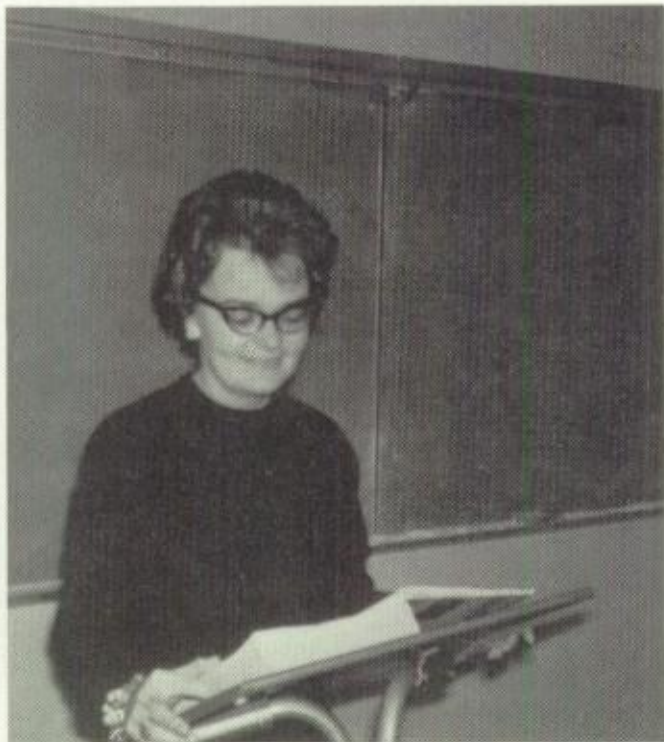

B.S., Central State, Stevens Point

Biology, Earth Science; Driver Educ., Student Council, and Senior Class adviser.

Sophomores Ellen Goddard and George Maloney study the structure of a flower in biology class.

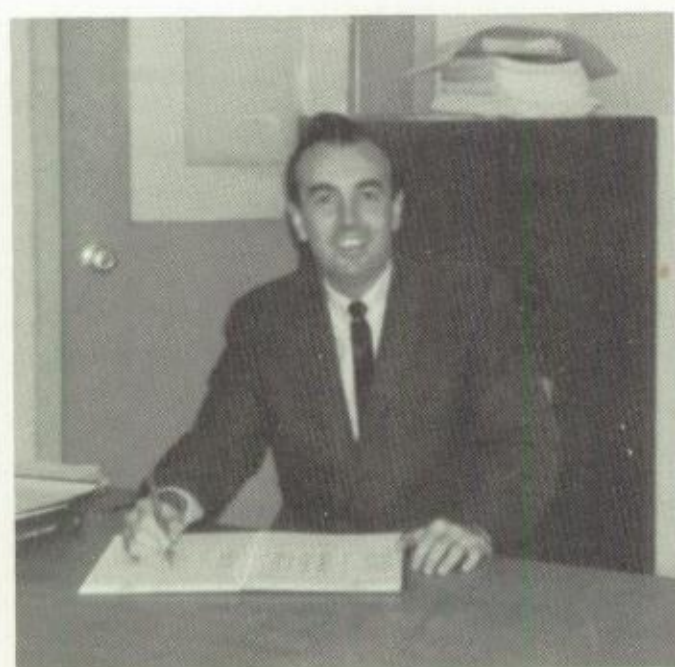

MISS GLORIA DESCH
B.S., U. of W., Oshkosh

English 10,12; German I,II; German Club, National Honor Society and Sophomore class adviser.

Visiting days every Tuesday and Thursday! We wonder if they really understand German?

HENRY A. DELACENSERIE
B.A. and M.A., Notre Dame; B.S., U. of W., Oshkosh

French, World History, English 10; French Club and Student Council adviser.

Miss Desch explains the master controls to Lynnea Schuettpelz, Sharon List, and Harold Sincere.

MRS. LELAH KOSNAR
B.A., U. of W., Madison; B.S., Wis. State, Eau Claire

World History, Social Probs.; Yearbook and Junior class adviser.

Social Sciences

The essence of schooling is to equip students to live and prosper in the outside world. The social sciences provide future adult citizens with a firm foundation in the economic, social, and political structures of the world. Four courses of social sciences are offered in the school's curriculum, including world history, American history, social problems, and geography.

English

English is an essential subject in any school, for without the ability to communicate it is impossible to learn in the conventional manner. Literature, grammar, and composition are required of CHS students all four years. Forensics is another important part of the English program.

MRS. ARLENE VALENTI
B.S., U. of W., Stevens Point

English and Geography; Forensics adviser.

MARLYNN M. BARTELS
B.S., U. of W., Oshkosh; Masters in Guidance and Counseling, U. of W., Madison

Social Problems, Guidance Counselor; NHS advisor.

Mr. Seeke, football coach, also has classes in English and World History.

MRS. EDNA WEED
State license, U. of W., Oshkosh

English and Developmental Reading.

ALLEN HENRICKS
B.A., Lakeland College

Librarian; Forensics and Library club adviser, English.

Guidance

Guidance counseling is a source of help for the student. Mr. Bartels provides our students with the opportunity to freely discuss personal problems and/or vocational and college plans.

Agriculture

Agriculture is a popular vocational course available in our school. It is an excellent course for boys who plan to follow agricultural careers.

The four-year course includes forestry; farm machinery; sheep, beef, and swine management; control of insects; and many other related fields.

The agriculture classes participated in many extra projects. Last year they purchased a field adjacent to the school. They plowed the field and planted it in hay.

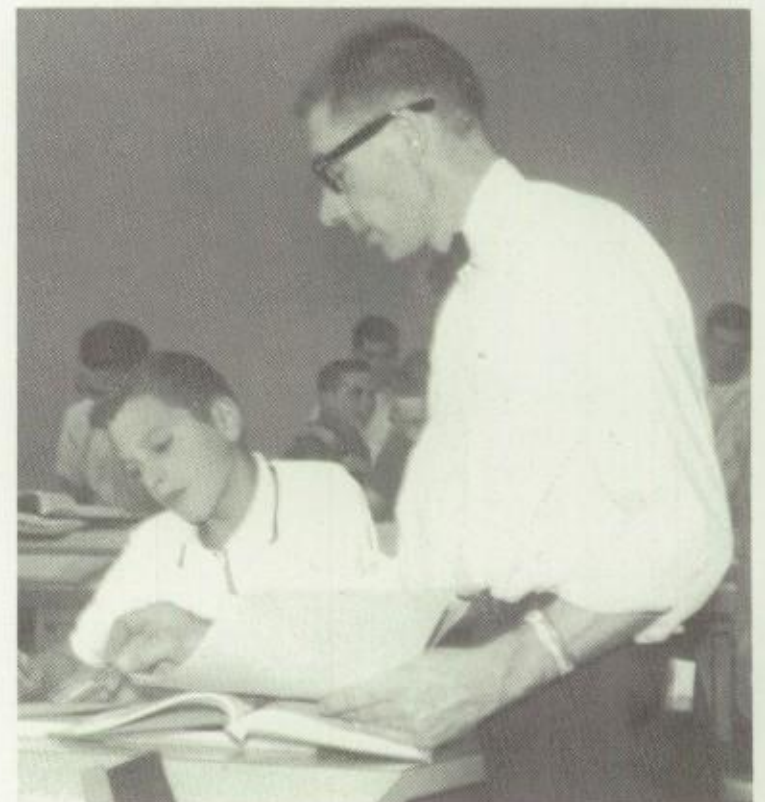

RICHARD WALKER
B.S., Platteville State

Agriculture and Physical Science; FFA and Freshman Class adviser.

Mr. Van Ornum explains one of the fundamentals of drafting to Dean Duescher.

JOHN BLASKE
B.S., St. Cloud State, Minn.

Metal Shop and Algebra 1.

Industrial Arts, Drafting

As a result of a fine feature article in the "Marinette Eagle-Star" last fall, our industrial arts program became known throughout this area for its completely equipped facilities in both the wood and metal shops. Extensive training was available in woodworking, metal working, and mechanical drawing.

The quality of the programs in each field was largely due to the generosity of area business firms, who contributed equipment ranging from wood blocks to automobile engines.

Mrs. Carole Woulf has been with us three years as school nurse. She is also adviser for the Future Nurses Club. Mrs. Woulf believes that a student who is healthy in mind, soul, and body is a real All-American student.

She graduated from St. Joseph's School of Nursing in Chicago, and did graduate work in a Green Bay hospital.

Her leisure time is spent camping with her family, knitting, swimming, and fishing.

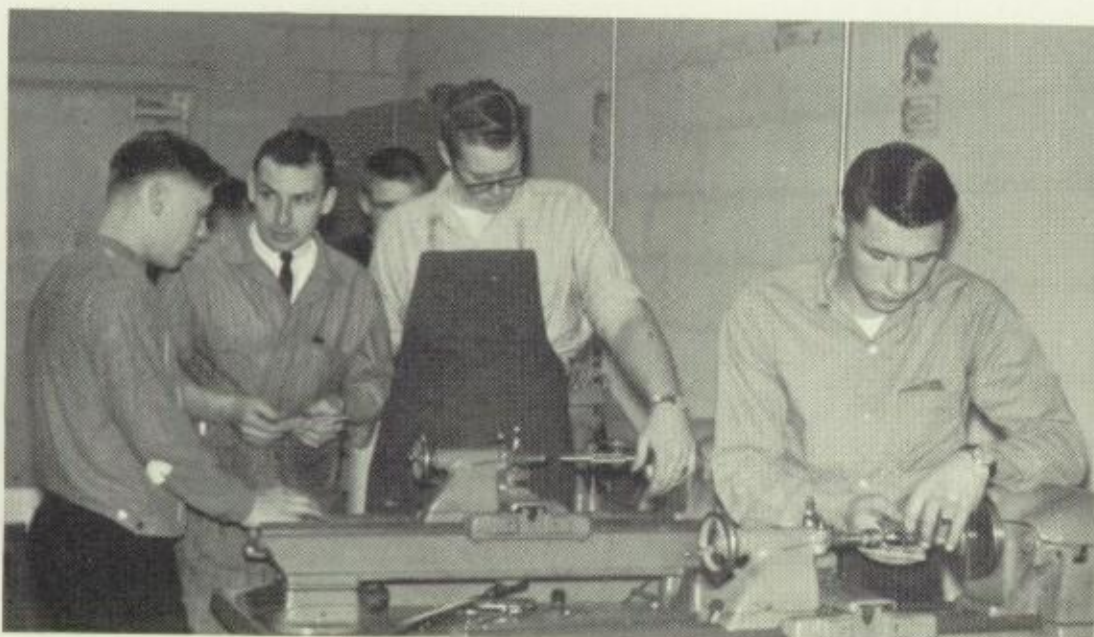

MRS. CAROLE WOULF, R.N.

The Christmas faculty tea provided the FHA members with a chance to display their skills as cooks and hostesses. Faculty members enjoyed a variety of Christmas goodies, including a large decorated snow-man cookie, and coffee and punch.

Mr. Blaske helps Harold Broderick, Roger Dudek, and Jim Jensen, Juniors, with their work on the lathe in Metals class.

WILLIAM VAN ORNUM
B.S , U. of W. M.S., Stout State

Woodworking and Drafting; Junior
Class Adviser

DONN C. VALENTI
B.S., Music, Northern U., Marquette,
Mich.

Instrumental Music (H.S. and District);
chorus director.

MRS. JOAN VAN ORNUM
B.S., U. of W., Madison, Certification,
Stout State, Menomonie

Home Economics; FHA adviser.

Art

Art is offered to all students. It is divided into beginners' art and advanced art. In beginners' art, the students learn the basic fundamentals. Advanced art deals with more difficult projects, such as oil painting and wood cuts. In order to take advanced art a student must have had one year of beginners' art.

Music

Cadet band, senior band, and chorus constitute the music department. All the music activities at CHS are extracurricular. During the past year, the department gave several concerts and entered many students in area contests.

Margaret Hutchinson, Gene Kopats, and Lee Meyers study detail in Mr. Kosnar's unfinished oil painting.

Home Economics

Home Economics is offered to CHS girls all four years. Freshmen study basis nutrition, cooking, and sewing; Sophomores study advanced sewing and cooking. The Juniors and Seniors learn home furnishing, family living, and advanced cooking.

ALLEN E. KOSNAR
B.S., Wis. State, Eau Claire

Art (H.S. & District); Art Club adviser,
asst. basketball coach.

Commercial Dept

The commercial department consists of typing I and II, shorthand, bookkeeping, and office practice. It provides students who plan to enter a commercial field with a good background for their future careers. All commercial subjects are electives offered to all students.

LLOYD WILZ
B.E., U. of W., Whitewater

Typing I and II, Consumers' Math, World Hist., Vocational Typing; Chronicler adviser.

LAWRENCE LUNDELL
M.S. and B.S., U. of M., Marquette, Mich.

Shorthand, Office Practice, Bookkeeping, Typing; Chorus.

Karen Wirtner and Barb Teresinski are amused by Mr. Lundell's solution to a bookkeeping problem!

MARY ALYS DOUGLAS

Mrs. Douglas does the bookkeeping and financial work necessary to keep CHS an efficient and well-organized school system. She is also a friend and helper of all the students.

Office Staff

Mrs. Van Vonderen spends her day answering the phone, writing letters, giving information to students, taking lunch tickets, etc., etc. She's indispensable!

BEVERLY VANVONDEREN

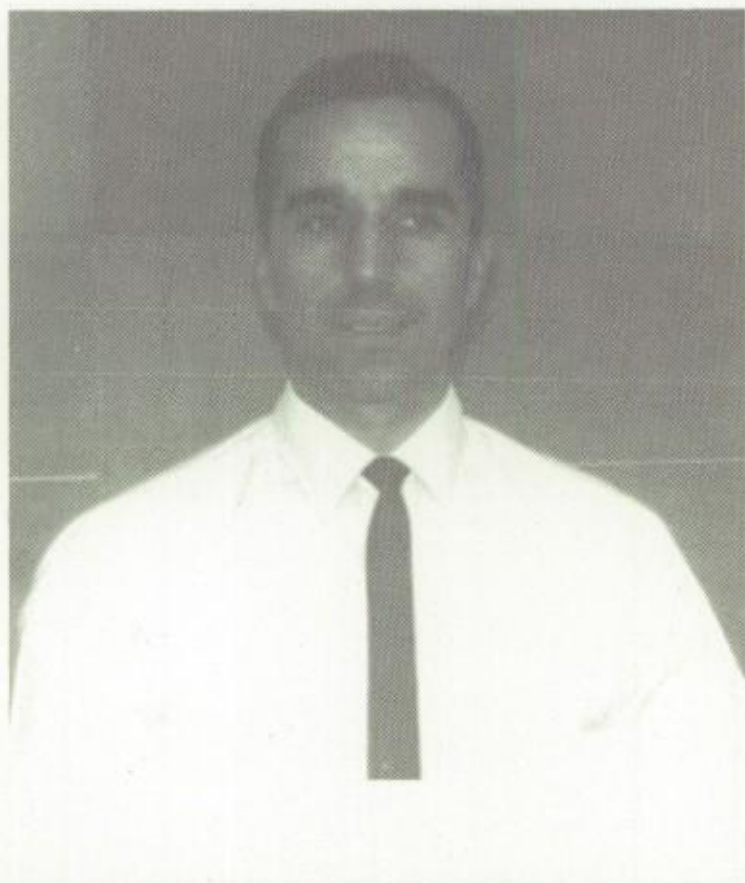

SUPT. JAMES KAVANAUGH

Mr. Kavanaugh has been superintendent at CHS the past four years. He received his Bachelor's degree in education at Whitewater State and his Master's degree in Science at the University of Wisconsin, and has also attended Ohio State at Columbus.

He believes that an All-American student is one who tries to improve himself no matter what his ability is. Common courtesy, he states, is a basic requirement for good school citizenship.

"Good Citizenship Is Common Courtesy."

RANSOME RHODE

Mr. Rhode, assistant principal, has been a member of the CHS faculty for the past 10 years. He received his Bachelor of Science degree from Wisconsin State college in Stevens Point. He taught biology and physiology this year.

His evaluation of an All-American student is based on "neatness, good manners, and a lot of good common sense." He believes that "there's always room for improvement--it's up to the students to do the polishing."

The Board members of Coleman Jt. School District No. 1 are: Rene Durocher, clerk; Mrs. B. A. Robinette; Boyd Rymer; Lawrence Bittner; Lawrence Woulf; and Bernard Stodola, treasurer. John Holley (below) is Board Director.

Students Entrust Council to Govern Well

Under the supervision of Mr. Bloch and Mr. Delacenserie, the Student Council closed another year of promoting student interest and activities.

Working together with the National Honor Society, they served as hall monitors, carrying out an important civic duty--keeping order.

This year they sponsored a mock national election in addition to their yearly projects, which include Homecoming activities, the Red Cross and March of Dimes drives, and the collection of canned goods for needy families at Christmas.

Each homeroom elects a representative to be a member of the Student Council.

Forensic Contestants Won League Trophy

Forensics is an activity designed to promote and improve public speaking. Beginning with a local elimination contest on February 18, the contestants pitted their ability against that of fellow CHS students.

Two contestants in each category represented our school at the League contest at Peshtigo. Winning the League Trophy

for CHS, Chris Flink, Bev Gummin, Sherry Kust, Darlene Lepianka, Cathy List, Sue Sager, Karen Greason, Bill Bittner, Ralph Pelkey, Maureen VanOrnum, Beth Joy, and Janice Yoap received A's at Peshtigo and continued on to the District contest in Oshkosh, March 20. We are confident that Coleman will be well represented at the state meet.

Honor Society Promotes Scholarship

Membership in the National Honor Society is the greatest academic honor that can be bestowed on any student. A student must meet certain standards before he can be admitted to NHS. These requirements are leadership, character, scholarship, and service. A student must maintain a 3.25 grade point average to retain membership.

Three activities are sponsored annually by the National Honor Society. They are public induction of new members, student government day, and an educational field trip.

Science Fair Projects Kept Club Busy

The Science Club this year provided students who were interested in science with an opportunity to pursue a study not connected with any one science class. To be eligible to join each member must have a project during the year.

Members worked on their projects during the fall and winter months and displayed them at the science fair in the spring.

Jack Ott is president and Allen Mursau is vice president of the Science Club.

Mick Wieczorek is secretary-treasurer.

Grin and bear it, Mr. Sprenger and Allen Mursau. These young scientists are just too eager!

Chronicler Advocated Student Betterment

The Chronicler staff is organized to publish a monthly newspaper covering all news, sports, and special features that involve the student body and faculty. Its editorials gave good advice for improvement and betterment of the student and the school.

The staff, with Mr. Wilz as their adviser, held meetings twice a month to get the paper stenciled and printed. Previous to this, report topics were handed out to reporters for gathering information and writing their articles.

Cougarettes Give Loyal Service to CHS

Serving the school's operational needs is the Cougarette squad. They act as guides, ushers, and ticket takers at all school events; they prepare the programs for all sports events; and this year they served coffee and doughnuts at the annual teachers' workshop.

Faculty members choose four girls from each class from a list of volunteers to be Cougarettes. Their selection is based on a combination of factors, including school loyalty, personal appearance, and responsibility. Mrs. Sprenger advises the squad.

SENIORS: Karen Boehmke; Darlene Fiedorowicz; Captain Joyce Lentz; Joanne Hanson.

JUNIORS: Linda Lesperance, Karlene Lentz, Mary Meyer. Missing: Joyce Beaber.

Senior Cougarettes Darlene and Karen are on duty checking student passes to a basketball game.

FRESHMEN: Janet Boehmke, Karen Beaber, Beth Zeitler. Missing: Barb Behrend.

Art Club Pursued Creative Arts

This year the Art Club was advised by Mr. Kosnar. All students interested in art were welcome to join. Its main purpose was to impress upon the minds of young people the importance of creative arts.

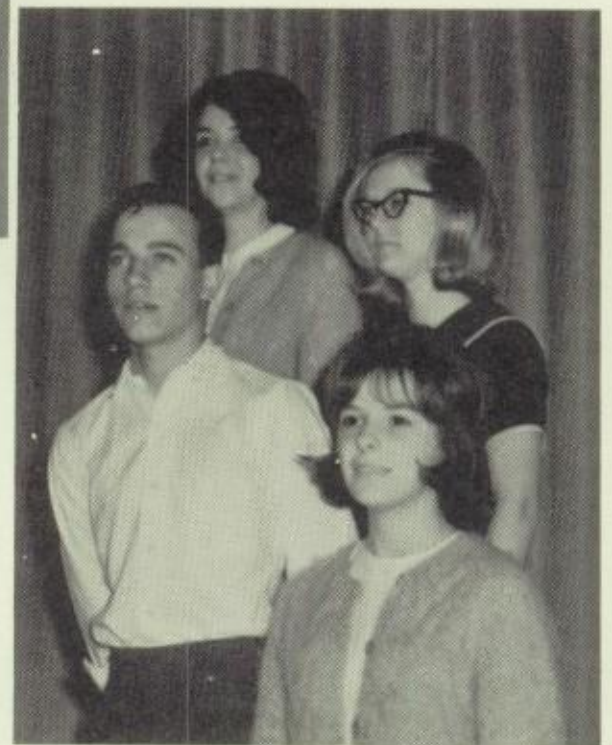

The 40 members traveled to Green Bay to visit an art show at the public museum; and they added to school spirit by decorating the school on special occasions.

"What's this, a kitchen cabinet meeting?" "Well, important decisions ARE being made--the Honor Society is planning Student Government Day!"

Detail Work Keeps Library Girls Busy

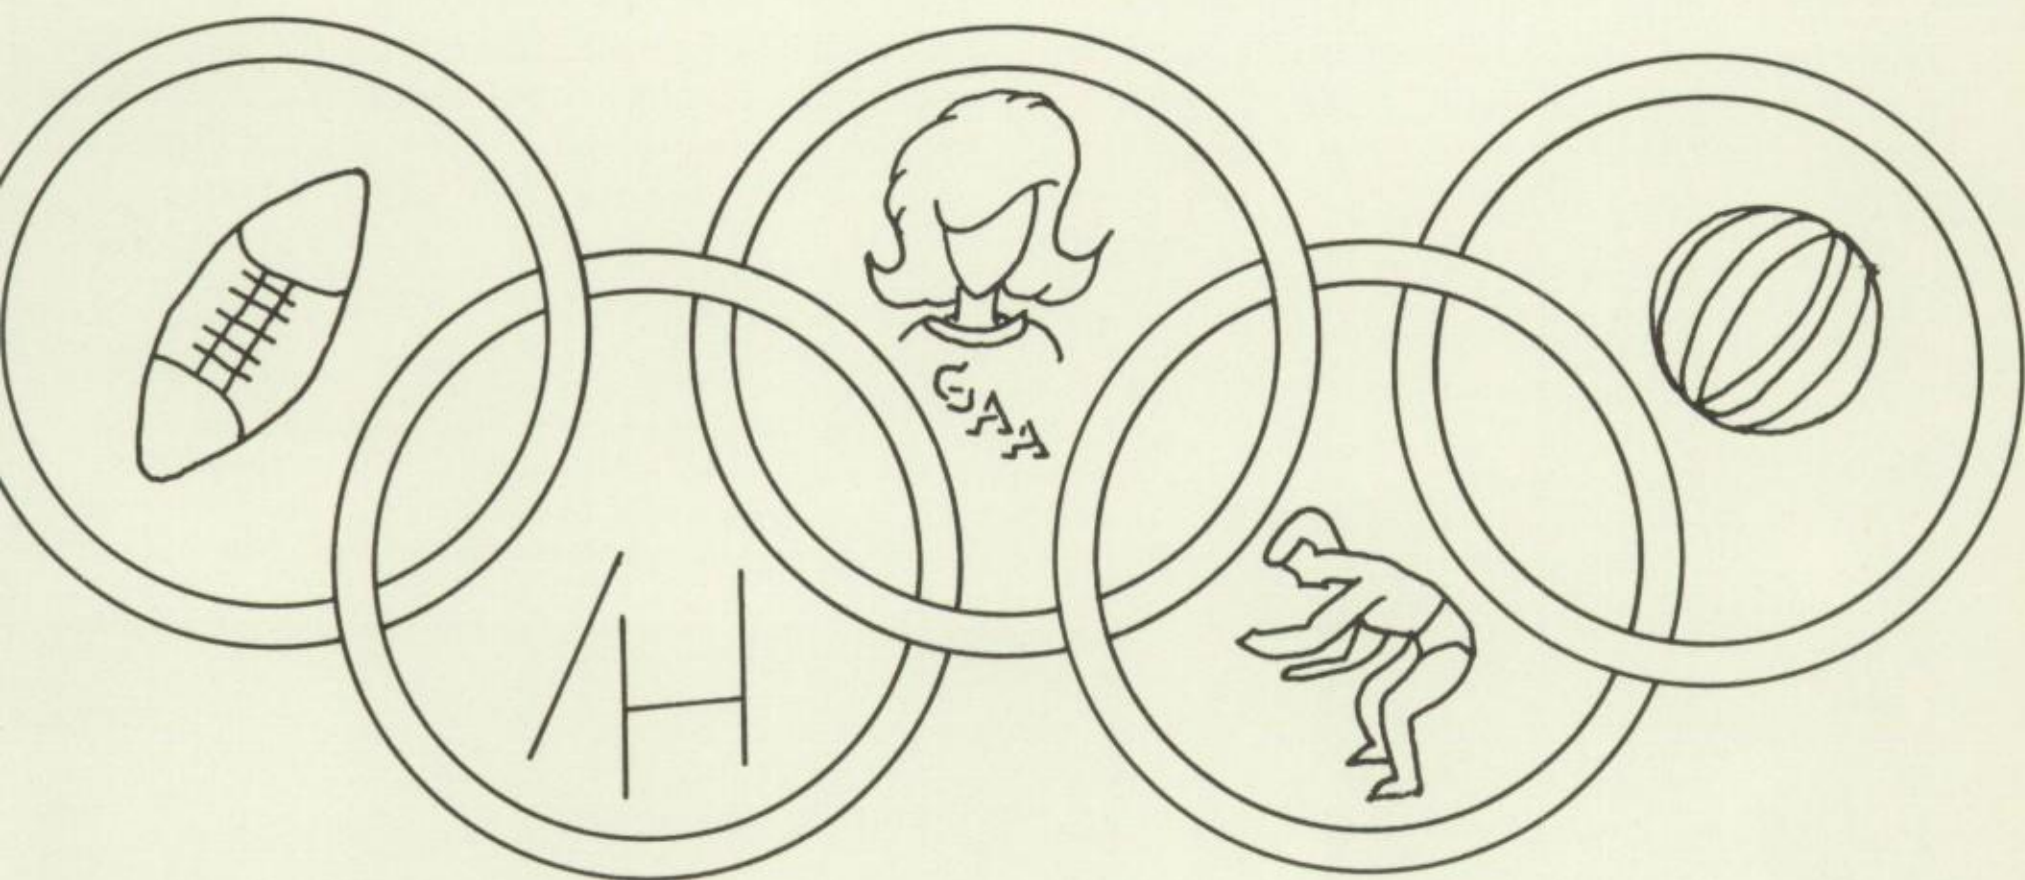

Familiarizing students with the work of the library and aiding the librarian with his duties, the Library Club serves an important role in school operation.

Their many and indispensable duties include checking books in and out, typing of index cards, rebinding books, and making numerous eye-catching bulletin boards.

An exhibit of the newest library books is held annually in September during the teachers workshop, and a book fair is conducted in April. Library Club members worked hard helping their adviser, Mr. Henricks, set up these exhibits.

Football Boys Turned Darkness to Light!

The Coleman Cougars, under Coach James Seeke, compiled a successful '64 season. Posting a 4-3-1 record, they were one of the hardest fighting teams in the Conference.

They started the season with a loss to Peshtigo, but made a great comeback by winning three in a row. Against Wausaukee they lost ground, but managed to tie the game. During the Gillett game

the Cougar offense was halted; but again the Cougars came back with the all-important victory in the final game against Lena.

This year the Cougar coaching staff organized a Freshman team. This team gave the boys valuable experience and the essential football knowledge that is needed at the varsity level. They played practice games with teams from area schools.

Our football players worked hard at practice.

Black out! During the Coleman-Peshtigo game all the lights throughout the community went out when a main transformer in Green Bay burned out. The final seconds of the game could not be played. Coleman went home in the dark, sans victory!!

On Friday morning the CHS band started off Homecoming festivities by marching through the halls. CHS was extensively decorated for the big occasion, adding to the excitement.

The Student Council sponsored the night-time bonfire at which Rose Marie Krejcarek was presented as queen, and winners of the yell and slogan contests were announced. After the bonfire a street dance was held in the school parking lot.

Then came the big game on Saturday. It was a tough game, but our players held their ground as they tied the Wausauke Rangers 0-0. At half-time the band presented an outstanding marching exhibition.

A large crowd attended the Homecoming dance to climax a happy weekend.

With a brilliant flash, the Victory V is ignited by football captain Jack Ott, as Rodney Boville, another captain watches.

'64 Homecoming Spirit Was the Greatest!

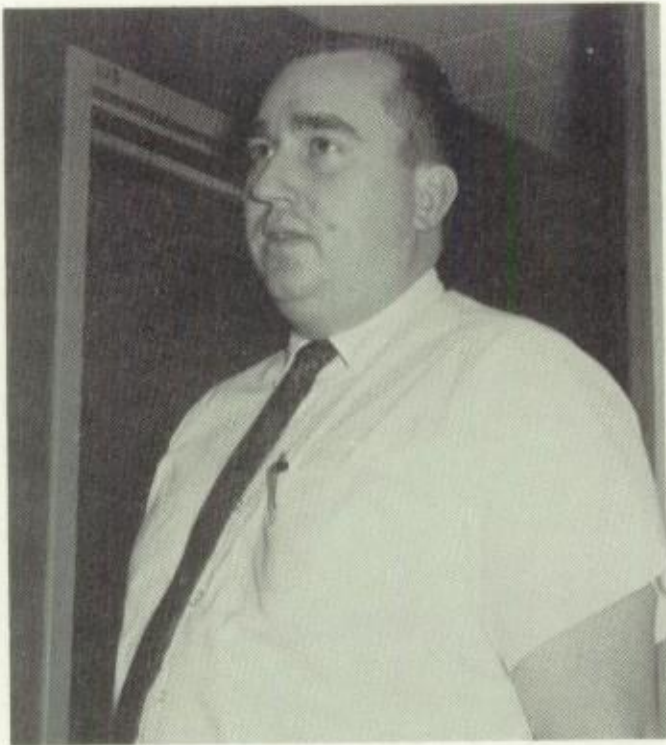

Homecoming queen Rose Marie Krejcarek and her court, Josie Semrau, Shirley Ryswyck, and Becky Levash, posed between dances.

The cheerleaders worked hard to raise the spirit of the football fans.

The Coleman Cougars roamed the field on Homecoming Day, keeping the Wausauke Rangers at bay!

RICHARD BELONGA
Mr. Belonga, eighth grade math and science teacher, is also assistant football coach for Coleman High School.

"Car 54 calling all candidates for Homecoming Queen."

Football Season Left Happy Memories!

Our pep band "dresses" for the occasion and displays their ability at the Homecoming bonfire.

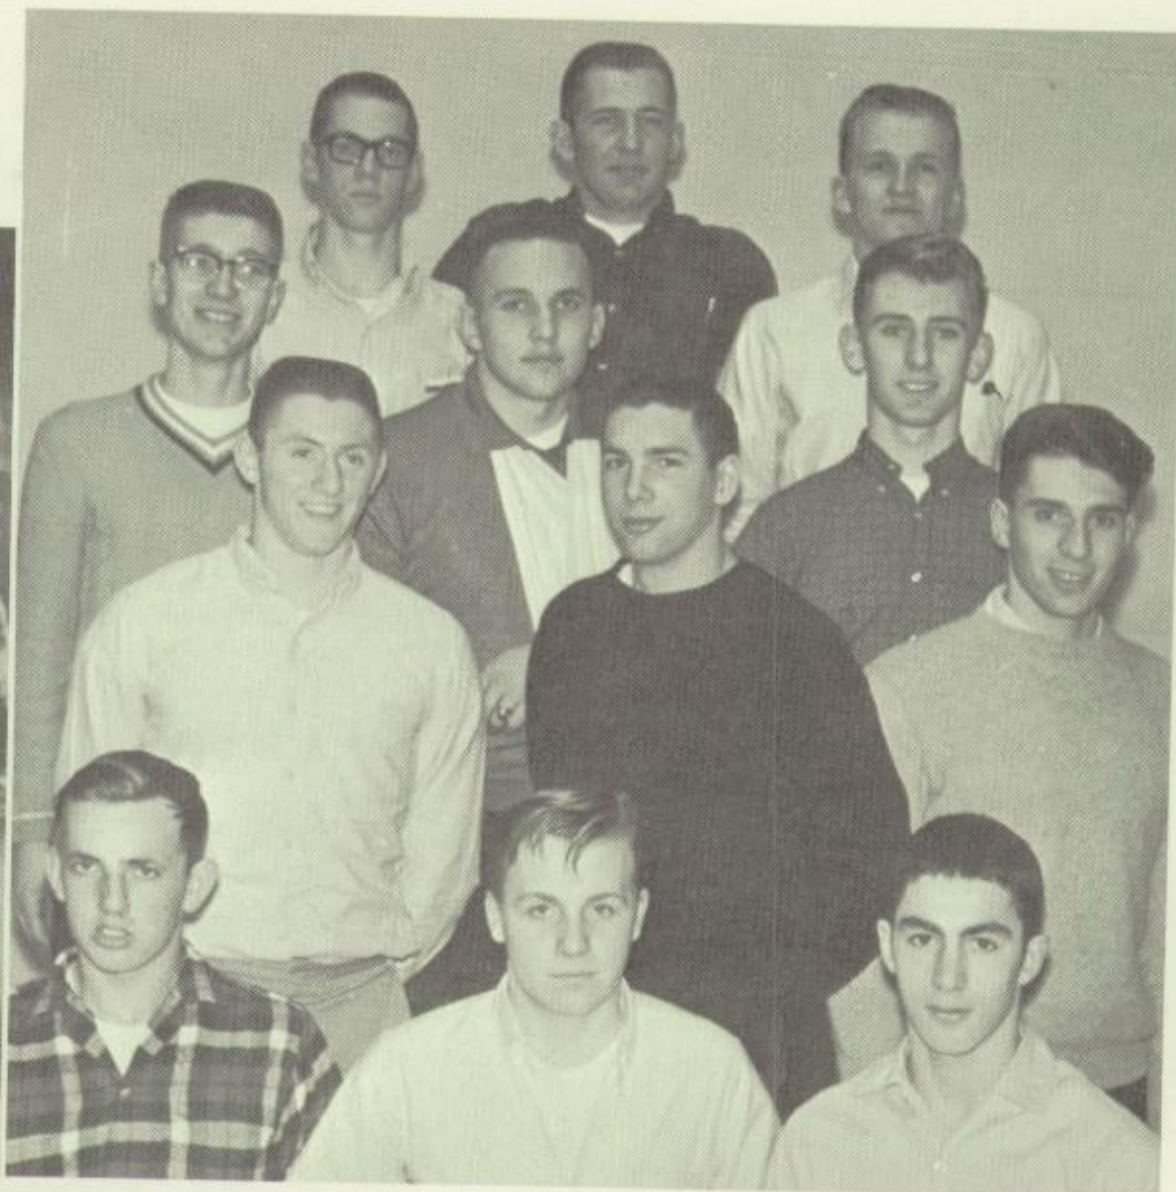

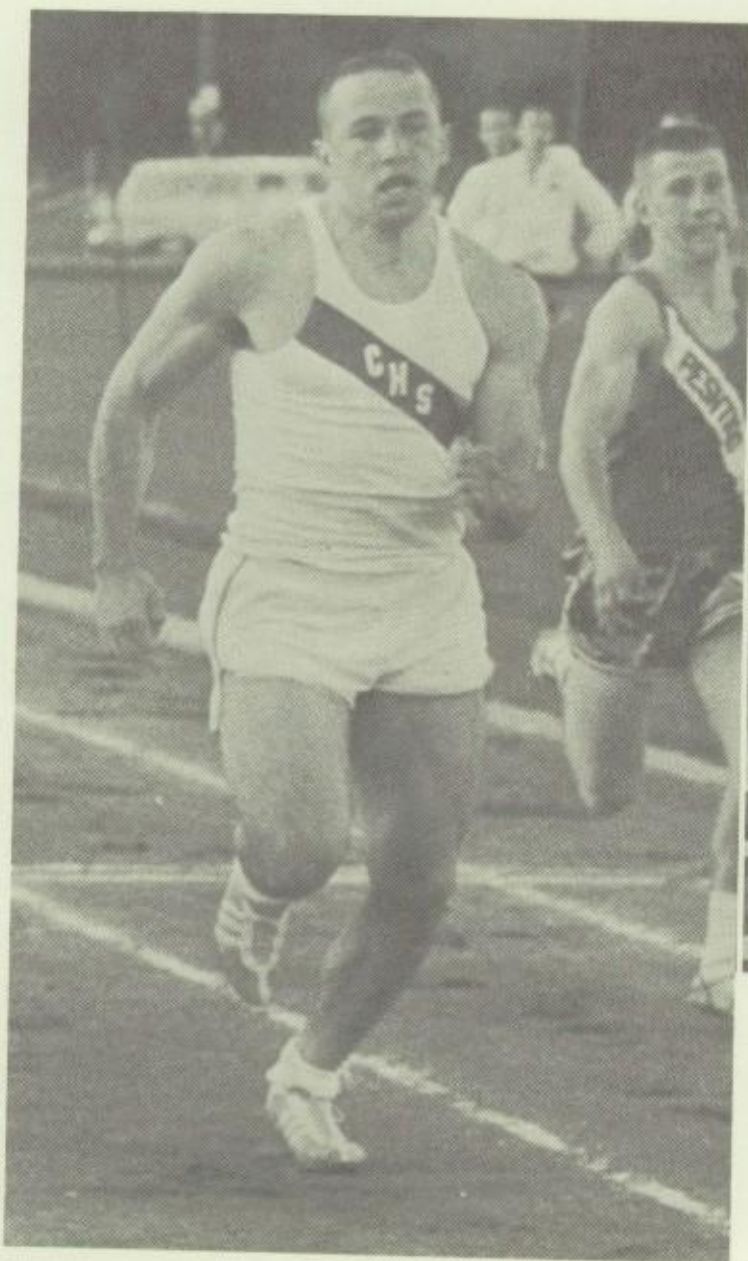

Now Skarda, don't stumble all over just because Mr. Belonga wore his "whites" again!

FRANK KOTECKI
Mr. Kotecki, seventh grade math teacher, was CHS freshman football coach this year.

Jerry Pillath blasts across the finish line at Peshtigo, the victor by scant inches over an arch rival.

'64 Cougars Broke Eight Track Records

The Cougars came up with another strong team during the '64 season that burned up the cinders by winning six dual meets and placing second in the Marinette-Oconto Relay and the M&O Conference meet held at Peshtigo. The team did an outstanding job at the Sectionals in taking second place and also at the State track meet by placing sixth in total competition. Coleman, a class B school, beat class A as well as class B schools in winning the coveted Oconto Falls invitational meet. The one loss of the season came at the hands of the powerful Marinette Marines.

This was a banner year for school records. Jerry Pillath, who holds the school record for the 100 yd. dash at 10.1 set this past year, also holds the shot

put with a heave of 51' 8 1/2", and the discus with a toss of 159'. At Madison, he became the State Champion in the discus by defeating the former champion.

Other newly-established records belong to: Ernie Bieber in the 220 yd. dash with a time of .23.5.2; Jack Ott in the low hurdles, .21.4; Harold Peterson in the mile, .4.49; and Philip Hermann in the broad jump with a leap of 21 ft. A new record was established in the mile relay which was composed of Pete Hutchinson, Dan Goddard, Dan Krause, and Jon Carlson, with a time of 9.25.1.

Despite the loss of several Seniors, the Cougars should again be a strong bid for the track crown with a fine group of under-classmen to carry the load in the '65 season.

VARSITY CHEERLEADERS: Sue Sager, Captain; Darlene Lepianka; Karen Herzog; Rose Marie Krejcarek; and Sherry Kust encircle Kelly Lesperance in a clever formation.

Our Cheerleaders Exemplified Real Spirit

"We the cheerleaders of Coleman High School dedicate ourselves and our services to endeavor to maintain enthusiasm and school spirit at all athletic events." This is the vow taken by the cheerleaders during the past year.

They are picked each year by a try-out

which is judged by faculty members. They should also do well academically and conduct themselves at all times as exemplary representatives of Coleman High School.

Their services include conducting pep rallies and leading group support at athletic events.

JUNIOR VARSITY CHEERLEADERS, LEFT SIDE, TOP TO FRONT: Sharon List, Donna Benser, Suzanne Walters. **RIGHT SIDE:** Gail Kuehn, Madonna Cisler, Kristi Sokol.

Archery Club Is for Girls, Two (Too)!

An Archery Club was formed this year under the direction of Mr. Sprenger. The purpose was to provide activities connected with archery to any student interested in the sport. A bow, arrows, and plenty of interest was needed for eligibility.

Members target practiced every Wednesday night after school during warm fall weather, and in the spring they took part in a tournament.

The expert shows them how it's done!

"Which way did that arrow go?" asks Don Will.

"We better not shoot it--it's out of season."

Coleman Wrestlers Placed Sixth at State

Coach Jim Douglas, the best known wrestling coach in Wisconsin, along with his five grapplers, failed to capture the fourth consecutive State title, and slipped to a tie for sixth place with 19 points. However, the five boys--Ken Martin, Jerry Sincere, Dan Kostreva, Allen Mursau, and Dave Bedora--truly deserve praise and felicitation for their fine efforts.

The jinx hit Coleman not only at State, but also by the entire season loss of defending State heavyweight champion Jerry Pillath because of a shoulder injury suffered during the football season and later requiring an operation. Also, as Mr. Douglas pointed out, "We lost most of our good boys at the Regionals and Sectionals, which hurt us to a great degree." He also noted that we lost in several overtimes and "just a few breaks during these matches--the complexion of the State tournament would have been changed."

Mr. Douglas praised the CHS Title Defenders, who, in his opinion, did the best job they could.

The Cougars came through with an undefeated regular season by capturing the Bayland Conference crown and the Milwaukee Invitational Tourney. They also walked away with the Regional and Sectional crowns before losing at State. Highlights of the regular season were the two defeats the Cougars handed arch-rival Luxemburg.

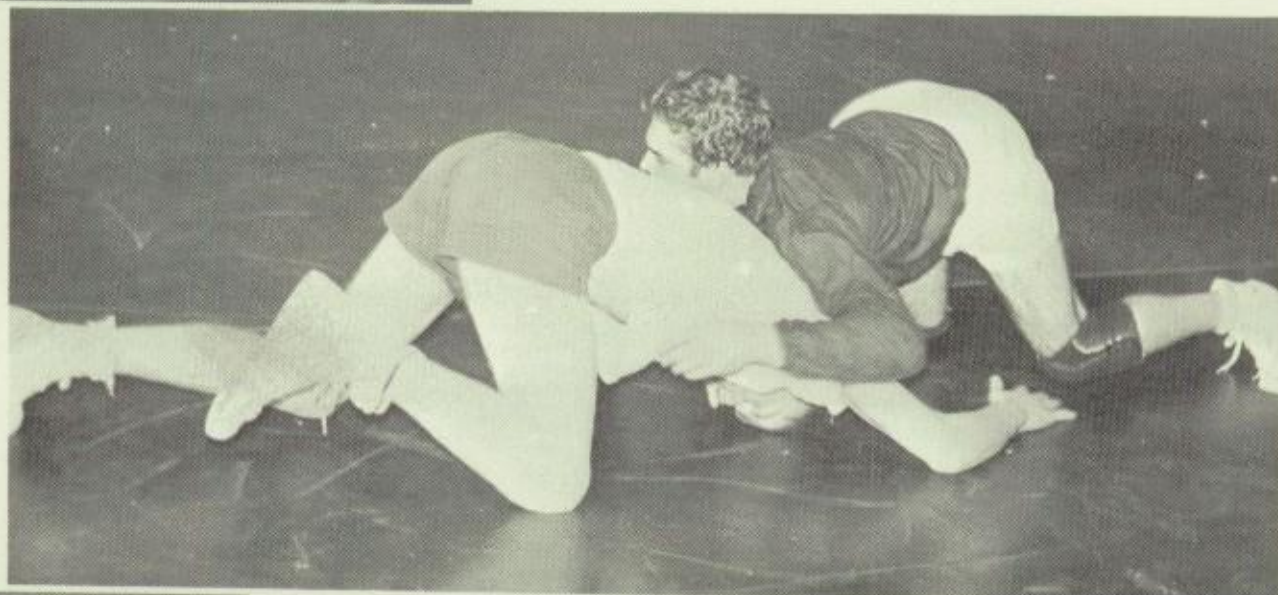

Indeed, many loyal fans are singing the blues, but a fine and excellent team of grapplers will return.

"Next season a team of great experience, strength, and pride return to wrestle with all the championship pressure gone. It will be a team that should--and we hope--capture the State Tournament for another season," Mr. Douglas said with great sincerity. We add our vote of optimism, too!

Kenny Martin, 95-pounder, gains a predicament in a Conference match. He went on to State and earned 4th place. His season record was 22 wins and 3 losses.

Dave Bedora, 165-lb. Mark Flink. Mark reached the Regionals, and Dave went on to State and placed 4th. Another State winner was Dan Kostreva, who placed 3rd.

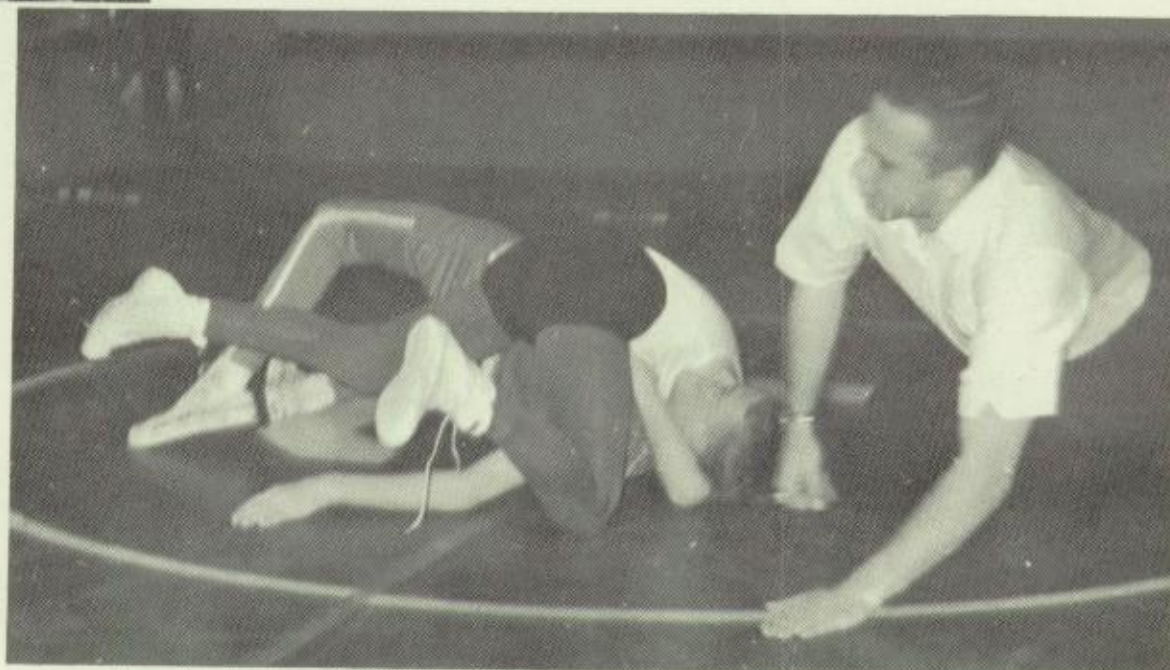

Always relaxed, Coach Douglas takes 40 winks between events!

Donny Damitz, replacee of injured Jerry Pillath in the heavyweight division, goes for a take down.

Jerry Pillath, last year's State Champion, call, "Pin," as he referees a J-V match. Jerry was unable to wrestle this year because of an arm injury.

"C" Club "Bubbles" with Good Will!

The "C" Club was established to foster and promote understanding and good will and to support and improve the inter-scholastic athletic program in Coleman high school.

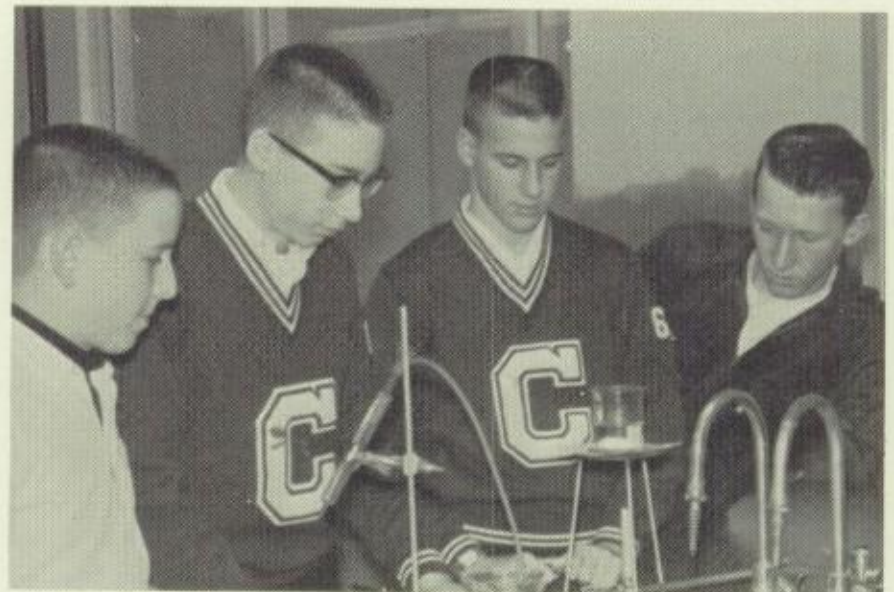

Membership into the club is obtained through the annual initiation held after the football season. Each boy is invited to join after he has majored in any of the four varsity sports--basketball, football, wrestling, or track.

The club annually sponsors a project that will benefit the entire athletic program. This year's project was the purchase of a portable water bubbler.

The club also provides for the trophies given to the individuals recognized by their teammates as most valuable in each major sport. Senior members attend the

state basketball tournament in Madison each year. The annual parents' game is also sponsored by the club, which presents corsages to the mothers.

The club earns its revenue through the sale of soft drinks from a vending machine in the school hallway.

Bob Hanne and Rick List show Richard Gendron and Keith Bancroft that athletics and school work do mix.

Jon Skarda indoctrinates a future "C" Club member during the annual initiation day, while Dallas Martin looks on gleefully.

Two Cougar Guards Named All-Conference

This year our basketball team started fast and then tapered off. The record, however, does not do justice to the spirit and ability of the team. Seldom did they lose by wide margins and almost every game was closely fought.

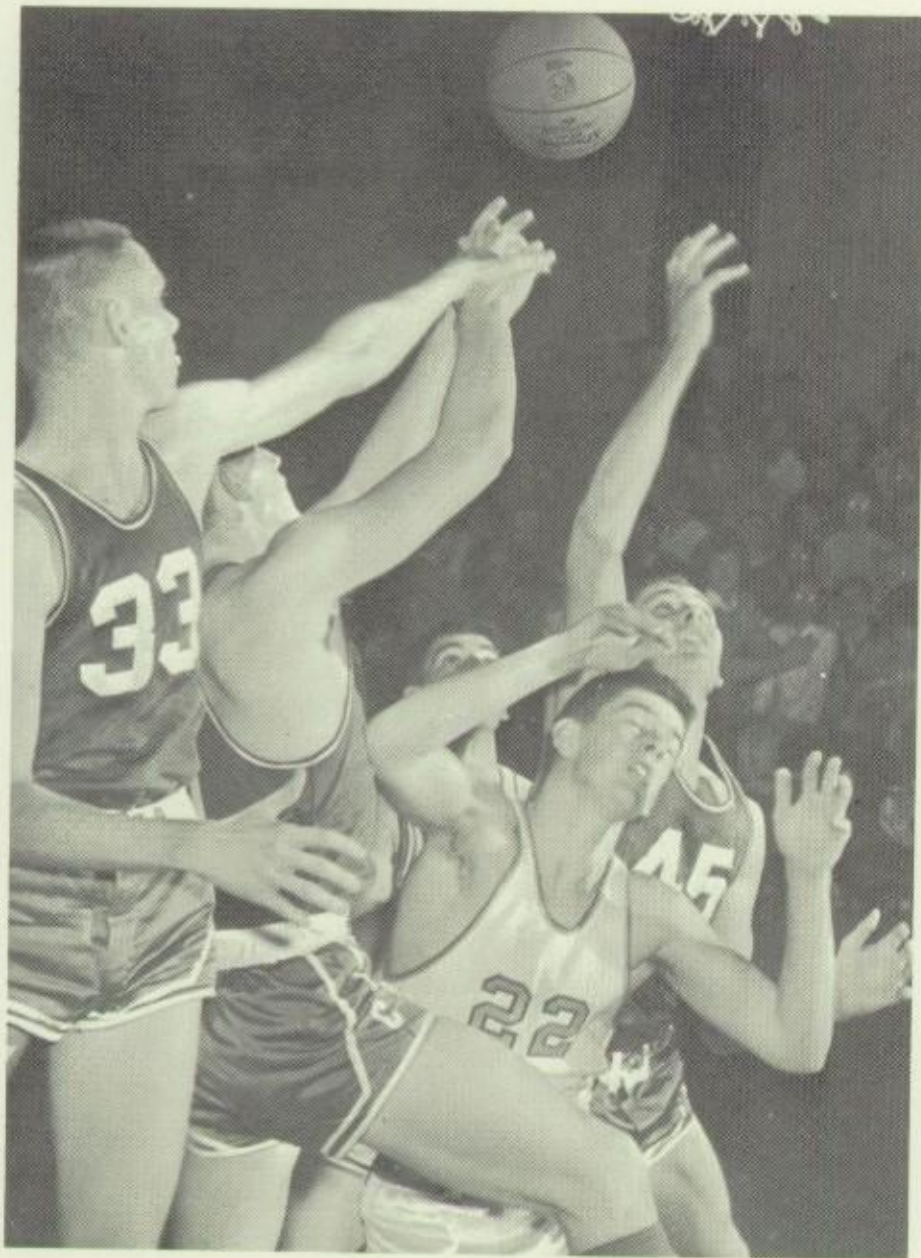

Although they didn't come up with a winning season, our boys in Green and White never called it quits, and played every game to the final buzzer.

The backbone of the team, Coach Earl Herbert, Jr., gave the boys the spirit and desire to win, and always to work to their capacity. Coach Herbert commented, "Despite a losing season the team played a fine defensive brand of basketball. The result being, in all but two games the outcome was not decided until the last couple of minutes. In this age of high scoring, the Cougars held opponents to 58 points per game, lack of shooting balance proved to be the downfall of the Cougars. This was the hardest working

and hustling ball club I have coached."

Individual honors this year go to Jack Ott who led the team in scoring with 277 points and 72 assists. He also was voted most valuable player and first team All-Conference guard. Rod Boville was named All-Conference guard on the second team. Dan Krause led the team in field shooting with 34.5% and free throw shooting with 71.9%. Howard Weier did the rebound work on the boards by grabbing off 172 to lead the team. This year's captains were Seniors Jack Ott, Paul Wilting, and Dan Krause.

Although five Seniors graduated--the three captains, Howard Weier, and Dave Henseler, the future for basketball at CHS looks very bright for next year, with the fine crew that will return from the '64-'65 varsity experience. The fine, upcoming Jay-Vees, who were coached this year by Mr. Allen Kosnar, will augment the varsity squad.

Mixed Chorus Sang

This year a mixed chorus was organized for the enjoyment of the students participating. It is conducted by Mr. Valenti, who also directs our school band. The Chorus meets Mondays, Wednesdays, and Thursdays during various periods.

It did not participate in the annual music festival because of crowded scheduling and resulting lack of practice time. Mixed chorus is comprised of approximately 60 members.

Peppy Senior Band

The Senior Band is organized for the purpose of music appreciation, and development of individual talent and skill. A Band Club was organized to raise funds to purchase additional music and equipment. Band officers were Gerald Anderson, president; Rose Krejcarek, vice president; Barbara Bittner, secretary; and Sandra Wiseman, treasurer.

Under the direction of Mr. Valenti, the band played at home football games, presented a winter and a spring concert, and an exchange concert with Oconto. It formed a tri-clinic band with Crivitz and

To Our Cooks and Custodians—Thanks!

Students enjoy their daily bread and water rations! Really, the meals were delicious and well-balanced.

These kind ladies fed us to our hearts' content. They are Mrs. Peterson, Mrs. Damitz, Mrs. McClure, Mrs. Martens and Mrs. Simono.

Now don't forget Mr. Kosnar's rye bread!

These gentlemen certainly ran a clean business! They are Mr. Frazier, Mr. Boerschinger, Mr. Meinhausen, Mr. Camlek, and Mr. Broderick.

Lively Les Adieux

This year, the Les Adieux staff set out to publish a yearbook the whole school could be proud of. Publishing a book of this type reflects the talents and abilities of good journalists, according to our adviser, Mrs. Kosnar.

To be a member of the staff, the

Congenial Les Adieux members learn good journalism, including copy and headline writing, photography, spelling, selling ads; etc., etc.

Staff Was Not Photogenic!

student must have integrity, good character, a "C" average, willingness to work--and plenty of spare time! A code of conduct, signed by both staff members and parents, was also required.

Nearly all the pictures were taken by staff photographers, and during the

latter part of the year they also fully processed the pictures in the newly-equipped school darkroom. The Senior pictures were by Baker Studio of Marinette. All art and copy was the work of staff members.

Les Adieux occupied prominent position in Homecoming book.

"Great Scott! Not another mistake!" exclaims Sandy Wiseman, as Karla, Dan, and Judy diligently work on.

So it's home again, and home again, America for me!
My heart is turning home again, and there I long to be,
In the land of youth and freedom beyond the ocean bars,
Where the air is full of sunlight and the flag is full of stars.
